

Club	Teacher	Grades	# of Students	Cost	Day	Time	Description
Podcast	S. McCafferty and Reardon	9-11	25	\$60	Fri.	Lyceum	The Podcast Club will write, record, and produce eight fifteen minute podcasts about GHNO Upper School life! Students will learn valuable skills as they create their own podcasts including sound mixing, sound recording, and are introduced to the basics of journalism.
Schola Gryphorum	Austin	9-11	25	\$60	Tues. Thurs.	7:30- 8:00 am	Schola Gryphorum is a joint faculty and high school student choir. Students and teachers will rehearse twice a week seeking a true encounter with the Beautiful in music as they prepare selections for the spring concert.
Italian	Austin	7-11	25	\$60	Fri.	Lyceum	Students will learn basic vocabulary and constructions as an introduction to the Italian language. Come enjoy learning this beautiful new language!
Flute 101	Piazzini	7-11	10	\$120	Mon. Fri.	Lyceum	This flute club is a beginner flute class that will provide 4 months of twice a week instruction, with a performance opportunity in May. Students will learn the fundamentals of proper breathing and technique while developing tone and musicianship skills. Information on flute rentals/purchases will be provided upon registration. Additionally, the student will be required to purchase a specific method book and bring it to every class with their flute. Note the extra cost of this club is due to multiple meetings per week.
Art	McCormick	7-11	25	\$60	Mon.	Lyceum	This club provides instruction & support to students seeking a creative outlet. We will explore different techniques and media. All materials will be provided. This semester students will focus on 3-D art!
Sewing	Rindahl and Alonso	7-11	25	\$60	Mon.	Lyceum	Students will meet and sew together! They will learn the parts of the machine and basic trouble shooting. Students may choose to complete a class project or work on an individual project. Teachers will be there to teach methods, give tips, and provide inspiration.
Chess	Kile	7-11	25	\$60	Mon.	Lyceum	This club offers students an opportunity to enjoy playing chess and to improve their skills as players.
Tolkien	Linz	9-11	25	\$60	Mon.	Lyceum	The Tolkien Club will read, discuss, and enjoy a work of Tolkien's!
Service	Milligan	7-11	25	\$60	Fri.	Lyceum	Students will brainstorm, plan, and participate in various service projects in and out of school. Come make your school and community a better place and gain valuable leadership experience.

Latin	Villanueva	7-11	25	\$60	Mon.	Lyceum	Latin Club is a time for students and teachers to enjoy reading Latin passages while learning fascinating facts about Roman history, culture, and life. Students will have opportunities to prepare presentations about aspects of Roman culture that they are particularly interested in.
Philosophy	Shaeffer	9-11	25	\$60	Fri.	Lyceum	Students will read and discuss excerpts from philosophers not covered in Humane Letters classes. This will give students the opportunity to engage with some of the world's greatest thinkers and wrestle with their ideas.
Archery	Schnick	7-11	15	\$75	Fri.	Lyceum	Humans have practiced archery for thousands of years. Come join the ranks of some of history's greatest athletes and warriors. Students will learn basic safety and skills as well as have plenty of time for practice and competition. Note the extra cost of this club is due cost to the cost of equipment.
Computer Science	Steger	7-11	25	\$60	Mon.	Lunch	This club is a time for students to learn and use computer programming languages (starting with Python) in a student-directed way. To get this club started as soon as possible at student request, students should bring their own computer to fully participate. An internet browser will be sufficient to begin – we will use some online resources at first.
Ars Sanandi	Luke	7-11	25	\$60	Mon.	Lyceum	Ars Sanandi is Latin for "the art of healing." This club is for students who are interested in pursuing careers in the medical field or simply interested in learning about it. Students will learn to identify things like cardiac arrhythmias, deficiencies in diet, and neurological deficits based on specialized exams. Students may have the opportunity to hear from medical professionals and learn from their experience.
Mock Trial	Smith	9-11	25	\$60	Fri.	Lyceum	Mock Trial Club is a fun and challenging way for students to learn about the judicial system and legal processes. By participating in and preparing for Mock Trial, students will develop useful knowledge about communication skills, critical thinking, quick analysis and advocacy.
SAT Test Prep	Hudson	7-11	20	\$60	Fri.	Lyceum	The SAT Test Prep Club will have fun identifying strategies to help students solve problems efficiently. Students will gain enthusiasm and confidence and have valuable practice time.
Toastmasters	Brintnall	9-11	15	\$60	Tues.	Lunch	Students will learn techniques for preparing various types of speeches, practice giving them, and receive helpful feedback on how best to improve their public speaking skills. These skills will help students not only in school but will serve them well beyond in their careers and throughout their lives!
