# Acrostic Poems

Acrostic Poems are very special poems! The letters of the name of the subject (what the poem is about!) ***begin each line of the poem.*** This poem does not have to rhyme.

An example of an acrostic poem:

Spring is a lovely time.  
Purple flowers bloom.  
Rain comes and  
I stay indoors and watch it fall.  
New puddles to jump in.  
Great fun!

## Daily Student Instruction Sheet - FRIDAY

**FRIDAY – 5/22/20**

### **Graded Review Instructions**

The weekly graded review will serve as the graded portion of this packet. We ask that students take this assessment independent of adult help or collaboration with other students (with the exception that parents may read the review aloud if needed). However, students are welcome to use any of their readings, textbook pages, or work from Monday - Thursday of this week.

This review only covers material from this week.

Below are instructions for each portion of the graded review with a suggested time limit for each portion. The graded review is intended to take 1 hour on average. We recommend that students take a few breaks between subjects, rather than completing the graded review in one sitting.

This review should be completed in **pencil** with legible handwriting. As usual, handwriting is part of the Spalding grade. Please do not use pens or colored pencils.

**Due date: Tuesday, May 26th**

**Students must turn in:**

**1. Graded Review for Week 9**

**Options for Returning Graded Work:**

☐ **Hardcopy Return:** Turn-in the entire Graded Review (Pages 1-6) with written responses to school at the beginning of the next week

\*Please note other assignments such as flash cards are for the student's use in their study and should not be turned in.

2. **Electronic Submission:** Turn in the entire Graded Review (Pages 1-6) electronically through your student's private Google Classroom account (detailed submission instructions will be given in your student's GC account in the "Friday Assignment" section, as well as on the GHTX Resource webpage <https://www.greatheartsamerica.org/txresources/>)
