## Northern Oaks

Dear Families,

As you know, Great Hearts Texas President and Superintendent, Dan Scoggin, issued a message last Friday announcing that nearly all GHTX schools would open on 9/14, rather than 9/8. Further, the message announced that the opening would be "phased" or layered. I write today to share our phased opening for brick and mortar students with you.

We understand the significant inconvenience caused by a delayed and staggered school start. Our goal is to make procedures and expectations very clear to students upon return to promote a safe, responsive, and fruitful school year.

A graphical representation of the plan is below:

	Mon	Tue	Wed	Thu	Fri
	9/14	9/15	9/16	9/17	9/18
K-1 B&M	On Campus				
K-1 DL	DL				
2nd & 3rd B&M	DL	On Campus			
2nd & 3rd DL	DL				
4th-6th B&M	DL	DL	On Campus		
4th-6th DL	DL				

- Before explaining the grade-level phases, a quick note: SPED students who are primarily served by a SPED teacher will receive an email or phone call to discuss their individualized phase-in plan.
- In summary:
  - Monday: Kinder & 1st grade students on campus
  - Tuesday: Kinder through 3rd grade
  - Wednesday: All students K-6
