

## 2025-2026 Textbooks - Upper School (Grades 7-12)

Dear Great Hearts Northern Oaks Parents,

Textbooks are one important resource that our teachers use to help your student learn. They provide a summary of important information and exercises that give students opportunities to practice necessary skills.

Textbooks that are required for a course are loaned out to students at the beginning of each school year.

**Students are required to maintain the textbook in the condition they received it and return it to the school at the end of the year. School textbooks that are missing or damaged are subject to a replacement fee of \$100.**

Some parents choose to buy an extra set of textbooks to keep at home for their student. **Families are not required to purchase these textbooks.** The textbook list for each grade is provided here in case you would like to purchase extra copies for home.

### 7<sup>th</sup> Grade

Course	Book Title	ISBN
Pre-Algebra 7	<i>Carnegie Learning: Texas Middle School Math Solution Grade 7</i> (Student Copy Provided – Not Returned to School at end of year)	978-1638620556
